

WARNING! Observe safe firearm handling practices at all times. Make sure the firearm is unloaded and safety is engaged before starting installation.

1. Pull strap out of buckles and insert through sling attachment.

2. Pass strap through both buckles.

3. Flip strap and pass over first buckle and under second buckle.

4. Pull the strap to tighten.

5. To adjust the slings length, pull large end of the strap through buckle until it is at desired length.

6. Thread end of strap through the buckle.

7. Once the sling is adjusted to the proper length, pull end of strap to tighten.

8. Feed all excess strap into padded portion of sling. A ruler can be used to help push the strap into the pad.
